Authorized Distributor / Reseller

The MT-4308W Series mobile POS is the hybrid solution that provides businesses with the mobility of a tablet and the functionality of a fixed POS terminal. It is an 8" tablet supporting MSR/RFID attachment, pistol grip with built-in 2D barcode scanner, 2nd removable battery and an optional dock station to transform the device into a full-fledged, stationary POS.

Adoptable yet Durable

With durability to survive up to 1.5 meters drop, the MT-4308W Series is a rugged Windows tablet designed to meet any business applications.

Patented Pistol Grip (U.S. Patent 9436226 B2)

The optional patented pistol grip is ergonomically designed for easy carrying and houses a removable battery to vastly extend the overall operating time.

Multi-use Versatility

MT-4308W Series with the patented pistol grip are tailored for service on the go, suited for inventory, line busting, ticket taking, loyalty programs, and many more.

Transform with Dock Station

MT-4308W Series can transform into an all-in-one desktop POS terminal with the optional docking station that integrates a built-in 3" WiFi thermal printer.

ATTACHMENT

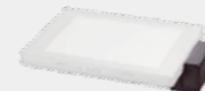

MC-408

For 8" tablet

TA-220

Side attachment of MSR and/or RFID
